You are invited to join the Faculty of the Institute by leading a portion of our two-day discussion about diversity: by leading or co-leading a workshop, putting together a panel of faculty or faculty/students to discuss diversity, presenting findings from a recent diversity project, or presenting a poster that illustrates your work on diversity and inclusiveness.

Keynote address:
Freeman A. Hrabowski III, president of University of Maryland, Baltimore County (UMBC).

Hrabowski was named one of the 100 Most Influential People in the World by TIME (2002) and one of America’s Best Leaders by U.S. News and World Report (2008).

UMBC has been recognized as a national leader in academic innovation and undergraduate teaching.

We look forward to his keynote address and to the interactive workshop that he will lead.
